To whom it may concern-

Above is the resume that I most often submit in my capacity as "actor." However, I have numerous credits as a playwright, director, and musician, which are not listed above.

Selected creative projects for which I served as a lead artist can be found here:

<https://www.hanvanciver.com/han-made.html>

Selected musical credits can be found here: <https://www.hanvanciver.com/musician.html>

More media and information are available upon request. While I identify as a multi-disciplinary artist, I have found that there isn't much occasion to compile a resume that accurately reflects my full body of work.

Thanks,

Han
